All India Survey on Higher Education. (AISHE)

The main objective of AISHE is to identify & capture the institutions' higher learning in the country and collect the data from all the higher education institutions on various aspects such as Institution's basic information; Teacher's Details; Details of Non-Teaching Staff; Programmes conducted under various Departments; Students enrolled in these Programmes; Examination results of terminal year/final semester of each Programme; Financial information under various heads; Availability of infrastructure facility; Student scholarships, loans; and Accreditation of the Institution. For the current session the Nodal Officer of AISHE is Sri Artatrana Gochhayat, Associate Professor, Department of Political Science. As a part of this survey, our College under the West Bengal State University has been submitting its annual report regularly since 2014-15.

National Institutional Ranking Framework (NIRF)

Sree Chaitanya College, Habra has participated in NIRF 2023. Dr. Jibananda Gayen was appointed as Nodal Officer of NIRF in the college on 7th November, 2022. Thereafter, the nodal officer registered the college on NIRF portal on 7th November, 2022. The NIRF team successfully uploaded all the required data to the NIRF DCS before the stipulated deadline. The data is also available on college website for dissemination to various stakeholders of the college.
